30 foot
Drop Test

PROTECTION FEATURES:

- UL Classified Fire Endurance (1 hour at 1700° F)
 - Protects documents, records and valuables against catastrophic loss
- UL Classified Explosion Hazard Resistance
 - Design integrity protects contents against explosions in case of sudden exposure to intense heat
- Impact: UL Classified 30 foot Drop Test
 - Equivalent to falling two stories; contents remain intact and locked

SECURITY FEATURES:

- Plunger key lock secures all drawers
- Drawer-specific "lock/unlock" provision
 - Provides additional security by isolating access to specific drawers

INTERIOR FEATURES:

- Lined interior conceals cabinet insulation and protects contents from unwanted dust
- Rugged suspension system design
 - Ensures smooth and easy drawer movement – even when fully loaded
- Drawer layout flexibility accommodates legal and letter size hanging file folders

EXTERIOR FEATURES:

- Seamless design provides a sleek, attractive high-end appearance
- Easy-to-use recessed handles with label holders
