

A Floortex First! The Only Clear, 100% Recycled Desk Protection Pad

Floortex introduces the **Ecotex Recycled RPET Environmentally Friendly** desk pads.

With the Ecotex Desk Pad, made from **100% recycled post-consumer PET (water and drinking bottles)**, desks and the environment can be protected.

The Ecotex Clear Desk Pad offers many advantages over the traditional clear PVC desk pad:

- Environmentally friendly material that can be recycled
- Will not discolour or curl
- Doesn't give off gases or odors that effect people with allergies.
- Recommend for safe use on wood and leather desk surfaces—will not discolour the finish

- Reliably protects desks from scratches, scuffs and spillage
- Slight embossed surface for maximum mouse performance
- Clear with slight tint due to recycled material
- Adds a professional, clean protection that enhances the appearance of any desk.
- Available in 3 sizes: FPDE1722P (17"x22"), FPDE1924P (19"x24"), FPDE2036 (20"x36")
