

Vertical Reinforced Expanding Files

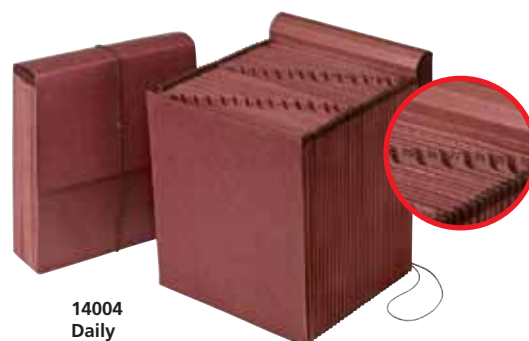

The vertical expanding files turn papers on end to make finding items faster and easier. Full flap secures files for transport.

For consumers who are feeling a little squeezed, every inch counts. Our new Vertical Expanding Files make the most of your space and time. Flipping papers up on end, makes it easier and faster to find documents, and takes advantage of available vertical space and gives back precious desk space.

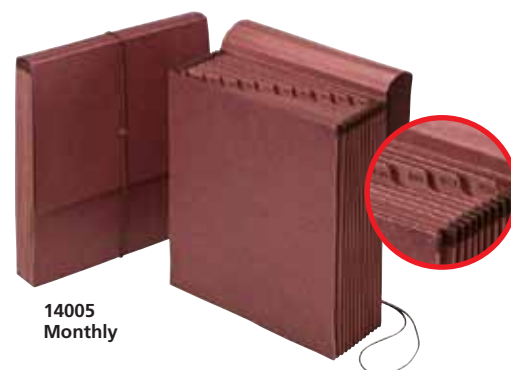

- Vertical orientation makes finding papers easier
- Full flap with elastic closure
- Rip-proof gussets
- Pre-printed A-Z, 1-31, or Jan. - Dec. headings
- Durable red fiber material
- 10% recycled fiber with 10% post consumer fiber,
- SFI Certified
- Acid Free
