COMFORT and ORGANIZATION

Wire File with Removable Tubs

A quick and easy way to expand filing capabilities in the office or home. This file cart fits nicely under most desks or work tables. The three removable bins offer a unique way to organize files. Keep projects separated by bin and take only what is needed to meetings or on the go. Rolls easily to point-of-use on four swivel casters (2 locking). Rugged plastic bins for letter size hanging folders (not included) fit into the all steel cart. Cart has durable powder coat finish in Black with four swivel casters (2 locking).
