“Bungee Cords” connect tables securely and are included with all freestanding tables. “Bungee Cords” carry a lifetime warranty.

The innovation lies with the unique ‘Bubble Molding’ edge design which compresses under the tension of “Bungee Cords” and creates a seal that serves to locate and align interconnected tables.

Leg Options

Tapered with Casters

Tapered legs for a functional appeal.

Tapered with Glides

Glides are adjustable.

Spider with Casters
