

Shown with Avant Honey (AWH) Laminate Top and Nevada (NEV) Steel Chassis

Global's NEW **StreamLINE Desking** series incorporates a rich laminate top with a sturdy steel chassis. This combination is great for heavy duty environments such as offices, schools, warehouses and factories.

Full-to-Floor Pedestals were designed to utilize all available space. Choose from Box/Box/File and File/File combinations. File drawers have high drawer sides for hanging folders and eliminate the need for costly hanging file frames.

Models include Desks, Returns, Bridges, Credenzas, Hutches and Accessories such as a Centre Drawer and optional keys for keying alike. This wide range of models, pedestal options and finish selections are sure to fit a variety of office and organizational needs.

Shown with Brushed Cobalt (BRC) Laminate Top and Bone (F29) Steel Chassis

## NEW | PRODUCT
