LOUNGE SERIES

WIND™

Classic, contemporary and refined are the words most often used to describe the Wind Lounge Seating series. The simple geometry and slim proportions create a relaxed and open atmosphere even when space is at a premium.

Wind Lounge Tables complement the seating series. Matching chrome legs support slim profile tops in square or round configurations. MDF table tops are available with epoxy finishes that feature a reverse waterfall edge or in any standard Global laminate finish with square edge detail.

Table Top Finishes

MDF with Epoxy finish

Platinum (PLT)

White (WHT)

Charcoal (CHR)
