

Electric Coin Sorter

Counting money by hand can take a long time and mistakes can be made.

“ Save time and money by using an electric coin sorter to quickly and accurately count your money”

- **High Performance**
Coin sorter quickly and accurately sorts pennies, nickels, dimes, quarters, loonies and toonies into wrappers
- **Anti-Jam Technology**
Patented internal anti-jam device rotates to help free jammed coins
- **Large Hopper Capacity**
Insert a handful of coins at a time into the collection opening
- **Fast Operation**
Can sort up to 180 coins per minute
- **Portable**
Light-weight design enables sorter to be easily moved
