Green in one touch

Whether you're printing a presentation for that big meeting or scanning important documents, the versatile 4-in-1 Samsung CLX-3185FN colour laser multifunction printer lets you do it all. Our easy one-touch, eco copy button lets you combine four documents into one monochromatic document, saving time and also the environment. Its network capabilities connects everyone to vivid, high quality colour printing performance.

Versatility. Connectivity. Eco-friendly functionality.
