LEXMARKTM

Print Less. Save More.

Print less? This may seem like a surprising message for a company dedicated solely to printing. But when you consider that businesses spend, on average, up to 6% of their turnover on printing, and that active print management can cut office print costs by up to 30%¹, it makes a lot of sense. Lexmark products, solutions and services provide innovative ways to save you time, drive down costs and reduce your impact on the environment. We are committed to helping you print less and save more.

¹ Source: InfoTrends/CapVentures, «Network Document Solutions Forecast 2007-2012, Network Document Solutions Consulting Service», August, 2008

Device consolidation is a great way to work smarter. With print, copy, scan and fax functions all rolled into one high-performance colour device, you save considerably on office space, hardware and running costs, consumables, maintenance and even electricity. But now Lexmark offers even more benefits in a smaller box – and at an attractive price. A multitasking solution for your small, cost-conscious workgroup!

Easy to use, easy to share

Surprisingly compact for such a fully functioned solution, these devices are also incredibly quiet, easy to use and integrate effortlessly into your existing office environment.

- As quiet as 49 dBA while printing; reduce sound even more with Quiet Mode
- User-friendly operator panel for easy access to all functions
- PCL 6 and PostScript 3 emulations ensure compatibility with your application software
- Fully network-ready for enhanced workgroup performance
- Quick and convenient cartridge replacement

Colour that makes a difference!

Outstanding colour adds impact to your important business documents. Lexmark puts its colour expertise to work for you and gives you the tools to control colour output effectively.

- Rich, vibrant, true 1200 x 1200 dpi colour printing
- Lexmark High Yield Toner Cartridges to keep printing costs low
- Includes new generation Lexmark toner
- Consistent colour balance with Pantone calibration
- Colour-control tools: coverage estimator and ColorSaver™ mode

The power of multifunction

Built for serious office work, these new colour MFPs equip you with all the productivity functions you need to maximize your business performance.

- Move easily between hardcopy and digital documents with advanced scanning, such as scan to desktop, scan to email or scan to shared server
- Powerful faxing with Super G3 capability
- Models available with duplex printing and duplex scanning
- 100-sheet multipurpose feeder and 550-sheet main tray are combined in one unique Duo Drawer option

Eco-responsible printing

Printing responsibly means everyone wins – your business, your budget and the environment! Lexmark's new colour MFPs are eco-designed and come with a range of features to help you print greener at every level.

- Models with built-in duplex offer excellent value and paper savings
- Paper Saver lets you print multiple pages per sheet
- Eco-Mode reduces power consumption
- Instant warm-up fuser saves energy while delivering first page quickly
- Lexmark Cartridge Collection Program for leading-edge recycling

Powerful scanning features!

Duplex colour scanning

Saves time by scanning both sides of your document automatically

Scan to email

Eliminates the need for paper copies; quickly locates addresses stored in your company directory

Direct USB

Front USB port for walk-up printing and scanning to memory device

Lexmark Scan Centre software

Scan options and scan-to destinations located on one easy-to-use window

Multi-format support

Save your documents in common image formats (PDF, JPG, TIF) for viewing, sharing and use on the Web

Lexmark X540 Series

**A small office partner
packed with features!**

Lexmark Rewards Add life to your printer

The Lexmark Rewards program extends the life of your printer – it also reduces operating costs and helps the environment. As a member, you'll receive a free imaging kit when your printer next needs one.

We'll also send you a free Lexmark High Yield Toner Cartridge of your choice for every 10 empty Lexmark cartridges you return to us. It's our way of saying thank you for using original Lexmark cartridges with your Lexmark X540 Series colour laser.

Maximum Monthly Duty Cycle

«Maximum Monthly Duty Cycle» is defined as the maximum number of pages a device could deliver in a month. This metric provides a comparison of robustness in relation to other Lexmark printers and MFPs.

Recommended Monthly Page Volume

«Recommended Monthly Page Volume» is a range of pages that helps customers evaluate Lexmark's product offerings based on the average number of pages customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed, and typical customer usage.

License/Agreement Terms

Printers are sold subject to certain license/agreement conditions. See www.lexmark.com/printerlicense for details.

Lexmark's guarantee to you

At Lexmark, we're always working hard to ensure you achieve maximum productivity and minimum downtime. For greater level of peace of mind, you can opt for one of our Lexmark service offerings detailed on www.lexmark.ca.

Environmental commitment

Lexmark believes that the environment is a critical component of responsible business management and clearly demonstrates it by implementing the "4R" strategy: Reduce, Recover, Reuse and Recycle. To learn more about these programs please visit www.lexmark.com/recycle

Cost saving and environmental features

- Energy Star compliant
- Duplex printing, print and hold (verify print), multi-up printing and quality printing on recycled paper help reducing paper consumption
- Selectable toner saving modes help reducing the amount of toner used on a page.
- Return program cartridges and end-of-life product management help reducing landfill
