

QL-700 Electronic Labelling System

P-touch®

Ultra fast. Stylish. Indispensable.

Amazingly fast labelling for envelopes, packages, name badges and so much more.

- Create cost-effective paper labels for packages, envelopes file folders, CDs/DVDs, banners and more
- Super fast printing up to 93 labels per minute*
- Uses continuous paper and tape rolls for banners and signs up to 3 ft. long
- The Label Collection feature provides eye-catching pre-designed labels and banners with commonly-used text
- Auto cutter provides precise cuts for printing 1 or multiple custom-sized labels at a time
- High-resolution printing (up to 300 x 600 dpi), for crisp text and graphics
- Plug & Label feature lets you type and print labels without installing software
- Export text directly from common applications such as Microsoft® Word®, Excel®, and Outlook® to create labels without retyping
- Connects via USB to your PC or Mac

Print up to 93 labels per minute

Convenient drop-in rolls let you switch label sizes in seconds

Create professional looking labels with included P-touch Editor label design software

QL-700 Electronic Labelling System

A professional high speed, high resolution label printer

Professional and cost-effective

The sleek, fast and compact Brother QL-700 label printer helps you create cost-effective paper labels for packages, envelopes, file folders, discs, banners up to 3 feet long and more. Make your labeling look every bit as professional as any big company with high-quality, high-resolution printing (up to 300 x 600 dpi) capturing all the fine details of pictures, logos and graphics.

Super-fast labelling with a quality finish

It's high-quality printing at up to 93 labels per minute* ensures top-notch productivity while the built-in auto

cutter gives a clean and accurate finished edge. Easily print 1 or multiple labels at a time, eliminating wasted label sheets. No need for toner or ink!

Effortless setup and use

The Plug & Label feature provides easy set-up as no software installation is required for printing most types of labels. For advanced applications, such as bar code labels use the included P-touch Editor software. Print from MS Word/Excel/Outlook at the click of a button. Print in many formats with a wide variety of convenient, drop-in labelling supplies available.

Total Customer Satisfaction

Brother is committed to total customer satisfaction. We provide no-charge toll-free technical support for the life of your machine, including 24/7 web support. Our QL-700's 2 year limited exchange express warranty is supported by an established network of highly qualified Authorized Service Partners. We are at your side every step of the way.
