

Price Match Guarantee

Bow Valley Basics will match current competitor prices on advertised, in-stock, identical items from Authorized Canadian dealers. If you find a lower advertised price within 14 days of your purchase, just show us the price and we will match it!

An identical item is defined as a product with the same manufacturer and model number. An Authorized Canadian dealer is a retailer that the manufacturer willingly sells to (typically, unauthorized dealers do not offer legal Canadian warranties and/or packaging). The guarantee does not apply to refurbished items or demos. The guarantee does not apply to retailers that require customers to purchase a membership to shop in their store.

An advertisement is defined as a copy of a current Canadian dated advertisement, original register receipt, catalogue page or competitor web page.

For web purchases, the competitor must have the item in stock and available for next day shipping. Competitor's freight charges will be added to the matched sale price of the item.

From time to time, our catalogue, internet and in-store prices might temporarily not match due to printing press deadlines, vendor pricing updates or web technical difficulties. If this happens, the in-store price will apply.

We reserve the right to limit quantities sold to an individual customer. The price match guarantee does not apply to advertising that states "limited quantities", "clearance", "close-outs", "bankruptcies" or special events (e.g. Boxing Day).

We do not match typographical errors in competitor's advertisements. OEM, Government and Educational prices may be excluded. Prices do not include applicable taxes and/or eco fees.

We reserve the right to modify the terms of our price match guarantee.
